KEEP YOUR EYES OPEN BECAUSE THERE ARE A LOT OF THINGS WHICH CAN BE USED FOR MAKING A PROJECT.

ANYTHING CONNECTED TO INUIT PEOPLE INTERESTS ME BECAUSE I'M AN INUIT.

INUIT CULTURAL ACTIVITIES

The first picture I selected was a picture of two men arm wrestling in Baker Lake during the Inuit Games.

2. My second picture is a boy holding a small carving by an Inuit female carver called Lucy Nungutsultuq.

3. The Inukshuk carved in ice was my third choice because I like Inukshuks.

4. There are polar bears searching for food around Nunavut communities.

5. Arctic Bay elders are playing Inuit games after the elder's feast.

6. The hunter is working on his caribou skin after he killed it interested me because it's an Inuit cultural activity.

7. These are Inuit people singing with the music teacher on the drum.

8. There are two people throat singing and signing and a man drum dancing to the beat.

9, I liked Inuit children dresses in Amautik and signing Inuit songs.

10, There are two elders eating meat and they are from Baker Lake.

11, In the centre of the poster, I drew an Inukshuk because it is a part of Inuit cultural activities.

12, I found the frame in the school storage room and asked my teachers if I could use them for my poster.

Thank you for looking at my poster about Inuit Cultural Activities.
